B.D. Fiano a wine with character!

Dedicated to the founder of the winery Beniamino D'Agostino, has on its label his initials and his birthdate in roman numbers.

Solar, bright in appearance, complex and deep at the taste, exactly like Beniamino is... We grow this Fiano clone in our Zingariello vineyard. At an elevation of 600 metres and enjoying a perfect north-south aspect, it is planted to a density of over 4,500 vines per hectare and trained to spurred cordon. The chalky, low-nutrient soils contain generous pebble and gravel, perfectly suited to this vineyard.
